Song: We Are the World

There comes a time
when we have to work
when the students must come together as one
Our school is breaking
and it's time to give a plan
to learn at the greatest school of all

We've to go on
Hoping day-by-day
That someone, somewhere soon make a change
We're a part of Cologne's big family
And you know, help is all we need

We are the world
We are the students
We are the ones who have to learn for life, so let's start building

Our school is breaking
You've to do something more
It's not enough to only talk you need to help

Oh, we are ready to start
So please now start with us
And our school will be stronger and safe
We can't build it alone, things need to change
So please just lend your helping hand

We are the world
We are the students
We are the ones who have to learn for life, so let's start building

Our school is breaking
You've to do something more
It's not enough to only talk you need to help
